SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF SUPERINTENDENT

Fairfield County School District is located in a rural community and serves 3,320 students in nine schools. We are proud of the many accomplishments and new initiatives in Fairfield County, which have been supported by the Board of Trustees and community. Through the combined efforts of our principals, teachers, staff, students, parents, and stakeholders, we have made great strides in achieving our academic goals.

On the 2008 Palmetto Achievement Challenge Test (PACT), our district's highest percentage of students scoring Proficient or Advanced occurred in third and fourth grades in the area of English/Language Arts. The students in fourth and fifth grades were the top performers on the PACT in the area of mathematics. In science, the students in fourth grade had the highest percent of students scoring proficient or advanced, and in social studies, the students in sixth grade had the highest percent of students scoring proficient or advanced. Notable increases from the 2007 administration of PACT to the 2008 administration in regards to the percent of students scoring proficient or advanced are evident in the following areas: fifth grade English/Language Arts with a 5.1% increase; fifth grade mathematics with a 14.8% increase; seventh grade mathematics with a 7% increase; fifth grade science with an 11.6% increase; and seventh grade social studies with a 7.6% increase. On the High School Assessment Program (HSAP), the passage rate for both subtests increased 6.5%.

The strategic plan for the School District of Fairfield County focuses on teaching and learning, parental and community involvement, building leadership capacity, communication, and achieving beyond academics. In an effort to promote student achievement, we have implemented the following instructional programs: Reading First, embedded intervention in all schools, credit recovery, Making Middle Grades Work, High Schools that Work, Math Strategies, Activities Integrating Math and Science, and Skills Tutor. Students are assessed using Measures of Academic Progress (MAP) twice a year for formative purposes, and are administered benchmark assessments four times a year to measure progress on South Carolina state standards.

Teachers, principals, students, parents, and stakeholders are dedicated to the success of every child in Fairfield County. Through the continued vision and leadership provided by the administration, teachers, Board of Trustees, and the community, the School District of Fairfield County will provide a quality, standards-based education for all students

Marie Milam, Acting Superintendent, The School District of Fairfield County
